

Report to The Members of Bradford u3a

Books for the year ended 31st July 2024

Acting under the authority of the membership as given to me at the AGM 2023, I have examined the Beacon Ledger for the above period, together with the Bank Accounts and supporting documentation.

I can confirm that, along with the attached final accounts, these constitute an accurate reflection of our u3a's financial activity for that year.

I have no hesitation in recommending that the accounts be adopted at the AGM.

A handwritten signature in black ink, appearing to read 'John Caswell', with a stylized flourish at the end.
