

Notice of the Bradford u3a AGM and member discussion.

Tuesday 16 September 2025 10.30am

at Bradford Mechanics Institute Library

76 Kirkgate, Bradford BD1 1SZ

Please join us. There is no charge for attendance

You are probably already aware that Bradford u3a Annual General Meeting (AGM) is on Tuesday 16 September at 10.30 am in the Priestley Room on the 2nd floor at Bradford Mechanics Institute Library. There is a lift for those that need it. It is very important that we have good attendance as the AGM is an essential meeting to ensure we are compliant with both Charity and National u3a requirements. We need a quorum (minimum attendance) of around 31 members based on current membership.

The meeting will be brief (probably about half an hour) and will be followed by an open discussion to share ideas for how Bradford u3a can continue to meet everyone's needs as effectively as possible and to experience more fun and friendship.

We look forward to seeing as many of you as possible at the meeting. Please contact bfd3abookings@gmail.com or telephone 01274 617963 to let us know you will be attending.

Paul Webley

Business Secretary
